PARTNERSHIP OPPORTUNITIES

The leading professional community in Hungarian freight forwarding and logistics

The **Association of Hungarian Forwarders (AHF)** has been representing the Hungarian freight forwarding and logistics industry since 1989. With 90 member companies, it brings together the key players in the Hungarian freight market.

CEE Freight Conference / Hungarian Forwarders' Day

Our annual flagship event brings together the **leading decision-makers and professionals** of the Central and Eastern European freight forwarding and logistics industry, providing a unique opportunity for direct business and professional connections.

Who can you reach?

- ➔ **CEOs and Company Owners** of Hungarian and Central and Eastern European freight forwarding, logistics and transport companies.
- ➔ **Transport and Freight Leaders** from road, rail and intermodal transport providers.
- ➔ **Commercial Decision-makers** responsible for sales, business development and key partner relationships.
- ➔ **Operations Managers** responsible for operations, service processes and efficiency.
- ➔ **Procurement and Logistics Leaders** selecting service providers, partners and logistics solutions on both the customer and service-provider side.
- ➔ **Key Players in Logistics Infrastructure and Services** representatives of ocean and air carriers, leaders of terminals, ports, airports, customs agencies and other logistics service providers.

Around 300 professionals in one place

88% of participants are senior or middle managers, creating a genuine opportunity for your company to engage **directly with business decision-makers and potential business partners**.
